Regional highlights from the 2018 BC Child Poverty Report Card

In the Central Coast regional district, 380 children live in poverty: nearly half of all children which is over double the provincial rate. The overall child poverty rate is the highest of all the districts in BC at 44% of children living in poverty. The poverty rate for children in couple families is 3 out of 10 children which is over double the provincial rate. Children in lone-parent families are at particular risk: nearly seven in ten children.
