## Federal Riding Highlights from the 2018 BC Child Poverty Report Card

In the Coquitlam-Port Coquitlam federal riding, 4,520 children are living in poverty: one in five children. Children in lone-parent families are particularly vulnerable: child poverty rates are over three times higher for children in lone-parent families than those in couple families. Although children of lone-parent families are more vulnerable as compared to children of couple families, the child poverty rate for children in couple families is 1% higher than the provincial average whereas the poverty rate of those in lone-parent families is 6% lower than the provincial average.
