

BC REGIONAL POVERTY STATISTICS

REGIONAL HIGHLIGHTS FROM THE 2020 BC POVERTY REPORT CARD

STIKINE

In the Stikine region, 30 (1 in 5) children live in poverty. Because of the small numbers, the poverty data on children in couple-parent families was suppressed. However, one in two or 50% of children in lone-parent families experience poverty in this region. The child poverty rate is the same as the all-residents poverty rate here.
